

## Coronavirus (COVID-19) Changes

Beginning **March 24, 2020**, the Brazos Valley Food Bank (BVFB) **closed its Lobby** until further notice.

BVFB will open its Lobby when Texas is 100% open. We have not been able to determine when that will be, but we suspect sometime in July.

BVFB is still providing services, but the facility is operating with reduced staff & volunteers.

Emailing and calling (979-779-3663) are your best bet to get a hold of us. For more information, visit [ww.bvfb.org](http://ww.bvfb.org)

## Safety Measures:

- Anyone entering BVFB's building will be asked to wear a mask. If you do not have a mask or forget it, BVFB will provide one to you. If you will not wear a mask, we will not allow you in the building.
- Anyone entering the building will have their temperature checked and be verbally asked screening questions

## Make an Appointment

- Pop-in visits are highly discouraged. Please call and make an appointment to meet with staff or to make a donation (food or money).
  - If you are looking to make a **check presentation** on our stage indoors, an appointment and wearing a mask (and

- **Check presentations without a mask** will occur outside of the building.
